### Minutes

NASES Region III members listened to the NDE Special Directors Conference call.

Tanya Hilligoss from NCECBVI gave a presentation.

Region III members discussed financial reporting on the Portal; policies and procedures submissions; and continued inconsistency between NDE representatives when questions are asked. Example: "Is a new MOT needed after OT, PT, or SLT testing when a student has a current verification and is already receiving resource services?"

Pete = Yes, a MOT is needed everytime a student is evaluated.

Rita = No, put the results on the IEP in the "Results of Most Recent Evaluations" section because the eligibility has not changed.

Discussion on IEPs - How do you list the frequency of services?  
- Is nonpublic school a private school?

ESU 2 is working on setting up a BD program for the 2013-2014 school year.
